

Waterfall Glen Chapter, EGA

welcomes you to its second exhibit of needlework, *Seasons in the Glen*. All of these seasonal pieces were created using a needle and thread. Represented techniques include beading, blackwork, canvaswork, cross stitch, drawn thread, embroidery, hardanger, huckweaving, needle tatting, needlepoint, pulled thread, silk ribbon embroidery, and specialty stitches.

We are a chapter of The Embroiderers' Guild of America, Inc. (EGA), Louisville, Kentucky, whose purpose is to foster the highest standards of excellence in the practice of the art of embroidery through an active program of education and study. We also wish to preserve the heritage of the art of embroidery. There are approximately 21,000 members of EGA and more than 300 chapters in the United States and Canada.

Membership in the Chapter is open to any person regardless of race, color, creed, sex or national origin, upon application and payment of dues. There are approximately 50 members of the Waterfall Glen Chapter, residing in 32 communities in the greater Chicago area.

Annual dues of \$35.00 include:

1. Access to Chapter, Regional and National workshops and programs (additional fee may be required).
2. Access to Chapter and National lending library.
3. Access to Group and Individual Correspondence Courses (additional fee may be required).
4. National affiliation.
5. National magazine *Needle Arts*, published quarterly.

Our meetings are held on the second Tuesday of the month from 6:30 PM until 9:30 PM at Argonne National Laboratory. Guests are welcome to attend two meetings at no charge. Argonne National Laboratory is a secure government facility. Your name must be added to the gate access list in order to allow you to enter the Laboratory. Please email Susan Strasser (strasser@aps.anl.gov) or call her (630) 252-5981 to arrange for gate access. For more information about the Waterfall Glen Chapter, please contact Maria Montero via email (Maria_Montero@msn.com) or visit our chapter website at <http://www.bep.anl.gov/ega/waterfallglen.html>

For information about other EGA chapters in Illinois or across the USA, visit the EGA National website at <http://www.egausa.org>.

About some of our pieces...

EGA Correspondence Courses

One of the perks of belonging to EGA is the opportunity to further our knowledge of stitchery through either individual or group correspondence courses offered by EGA. Specific directions are provided, and certain requirements must be fulfilled. The stitched pieces are then sent to the instructor, who provides a detailed critique for each piece and guidance for improvement.

Chapter projects

Each month we offer a planned program for our chapter members. Programs can be videos, lectures, or hands-on projects. Exhibit entries listed as chapter projects are pieces that were completed as a result of a program.

Challenge ornaments

Each year, several months before the December holidays, chapter members who wish to participate sign up for our Challenge Ornament Project. Each participant receives a kit containing a piece of fabric, a selection of fibers, and a set of guidelines. There is no pattern. The challenge is to create an original design and stitch it with only the items provided in the kit (and sometimes one or more additional fibers or embellishments chosen by the stitcher depending on the guidelines). Any technique may be used to finish the stitched design into an ornament. During the past five years, participants have created hanging ornaments, mini bellpulls, needlebooks, pincushions, and mini pocket purses. The ornaments are then wrapped and brought to the December chapter meeting where they are exchanged through a random drawing with other participants. Part of the fun of this project is trying to guess who created each ornament!

Waterfall Glen Friendship Samplers

In 1995, we decided to create friendship samplers as a year-long chapter project. Two different friendship sampler groups were formed: a band sampler group and a motif sampler group. Each group set its own guidelines, then each stitcher purchased her own fabric (and sometimes fibers), completed a preference questionnaire, and packaged her

materials to be circulated. The samplers were exchanged at the monthly chapter meetings according to a predetermined schedule. By the end of the year, everyone in the group had stitched on each sampler. At the conclusion of the project, participants found that they had gained more than just another lovely sampler to hang on their walls. We had challenged our stitching and designing skills, expanded our horizons by working within the framework of other people's color and style preferences, and enriched our knowledge of each other. The samplers on display identified as Waterfall Glen Friendship Samplers all came from one of the two groups. Further information on planning and coordinating a friendship sampler project can be found in the Waterfall Glen publication, *The Waterfall Glen Friendship Sampler Project*, which is available at the publications table.

Mystery Samplers

The Waterfall Glen Mystery Samplers are products of a 1998-1999 chapter project. Twelve chapter members volunteered as designers, and the group met early in January 1998 to set guidelines for a sampler in band format. Each designer was asked to provide a clear chart and a set of stitching directions with stitch diagrams (if necessary) to the sampler coordinator who was the only person to see all the designs at once. The coordinator created a set of guidelines for fabric and fiber selection, and after seeing all of the designs, decided on the sequence. In March 1998, the guidelines were distributed to all interested chapter members, and beginning in April 1998, the chart and stitching instructions were distributed at the monthly chapter meetings at the rate of one band per month. This project turned out to be a great deal of fun for the stitchers, as well as a wonderful learning experience for the designers. For complete directions and charts for this sampler, see the Waterfall Glen publication, *The Waterfall Glen Mystery Sampler*, which is available at the publications table.

Description of exhibit pieces

Piece # **Design name**, Designer name, *Source*, **Stitched by**, Type of stitchery, *Finishing category*

Pieces marked with a ♀ were designed by a Waterfall Glen guild member

All Seasons

AS.01 **All Seasons Welcome**, Cricket Collections, *Leaflet*, **Susan Strasser**, Cross stitch, *Bellpull*

EGA Group Correspondence Course

EGC.01 **Dresden Lace**, Pat Grappe, *EGA correspondence course*, **Carol Schaal**, Pulled & counted thread, *Pillow*

EGC.02 **Dresden Lace**, Pat Grappe, *EGA correspondence course*, **Rita Pawlowicz**

EGC.03 **Crazy Patch Adventure**, Kathleen Herman, *EGA correspondence course*, **Debbie Celig**, Quilting

EGC.04 **Crazy Patch Adventure**, Kathleen Herman (Instructor), *EGA correspondence course*, **Joyce Kinnally**, Quilting, *Wall hanging*

EGC.05 **Crazy Patch Adventure**, Kathleen Herman, *EGA correspondence course*, **Rita Pawlowicz**, Quilting, *Wall hanging*

EGA program

EGP.01 **Battenburg Lace Heart**, Libby Sturdy, *Unknown*, **Carol Todd**, Battenburg Lace, *Decoration*

Thank you

An event such as this takes many hands, heads, and hard work to come to be. We would be remiss if we did not express our thanks to the following people...

...the Village of Willow Springs for the use of their facilities

...Sue Frederickson of the Village Hall office for her endless patience, friendliness, and wonderful publicity

...Trinity Lutheran Church for use of their facilities for collating programs

...Michael Domaszewicz for his wonderful graphic design talents (program book cover, tickets, invitations, and posters)

...Rita Pawlowicz and Joyce Kinnally for the designs used on many of our sale ornaments

...the Exhibit Committee for their dedication in getting this event off the ground

...those chapter members and husbands who volunteered and graciously came through whenever they were needed

...all of our chapter members who cheerfully stitched blocks for our drawing quilts and ornaments for sale

...our chapter members who freely handed over their precious needlework to display and who volunteered to work

...our families for putting up with us during the planning and work stages

...those who helped publicize this endeavor

...our advertisers for their unending support

...those companies who donated supplies and other gifts for our drawing baskets

...our visitors for supporting our chapter by your attendance!

Diane Tarkowski

Karen Bonse
